2nd BASQUE NEUROSCIENCE MEETING 2014

Donostia – San Sebastian
Gipuzkoa Science and
Technology Park
(Miramon)

July 9th 2014

ABOUT

Neuroscience is a strategic area of knowledge worldwide. Ageing and mental illnesses, apart from the basis of the functioning of our brain are big questions and challenges of our society.

The Basque Government and the University of the Basque Country (UPV/EHU), together with the Achucarro centre, BCBL and BioDonostia are supporting the organization of the **second meeting of the Basque research community in all the areas of neuroscience**, from cognitive neuroscience, to neurobiology or clinicians, an initiative that strives to strengthen our community and network of institutions, researchers, companies working for the advance of human knowledge on the brain.
